

#### Bank OZK Announces Record Third Quarter 2024 Earnings

October 17, 2024

LITTLE ROCK, Ark., Oct. 17, 2024 (GLOBE NEWSWIRE) -- Bank OZK (the "Bank") (Nasdaq: OZK) today announced that net income available to common stockholders for the third quarter of 2024 was \$177.1 million, its eighth consecutive quarterly record and a 4.4% increase from \$169.7 million for the third quarter of 2023. For the first nine months of 2024, net income available to common stockholders was \$522.1 million, a 3.7% increase from \$503.5 million for the first nine months of 2023.

Diluted earnings per common share for the third quarter of 2024 were \$1.55, its eighth consecutive quarterly record and a 4.0% increase from \$1.49 for the third quarter of 2023. For the first nine months of 2024, diluted earnings per common share were \$4.58, a 4.8% increase from \$4.37 for the first nine months of 2023.

Pre-tax pre-provision net revenue ("PPNR") was a record \$282.6 million for the third quarter of 2024, a 7.0% increase from \$264.0 million for the third quarter of 2023. For the first nine months of 2024, PPNR was \$834.6 million, an 8.4% increase from \$769.9 million for the first nine months of 2023. The calculation of PPNR and the reconcilitation to generally accepted accounting principles ("GAAP") are included in the schedules accompanying this release.

Provision for credit losses was \$46.4 million for the third quarter of 2024 compared to \$44.0 million for the third quarter of 2023, while our net charge-offs were only \$26.0 million and \$9.4 million, respectively, for those quarters. For the first nine months of 2024, provision for credit losses was \$138.4 million compared to \$121.6 million for the first nine months of 2023, while our net charge-offs were only \$45.1 million and \$25.4 million, respectively, for those nine month periods. The Bank's total allowance for credit losses ("ACL") was \$594.5 million at September 30, 2024, an increase of \$133.1 million or 28.8% compared to \$461.5 million at September 30, 2023.

The Bank's annualized returns on average assets, average common stockholders' equity and average tangible common stockholders' equity for the third quarter of 2024 were 1.90%, 13.65% and 15.65%, respectively, compared to 2.13%, 14.81% and 17.33%, respectively, for the third quarter of 2023. For the first nine months of 2024, the Bank's annualized returns on average assets, average common stockholders' equity and average tangible common stockholders' equity were 1.93%, 13.92%, and 16.04%, respectively, compared to 2.26%, 15.06%, and 17.68%, respectively, for the first nine months of 2023. The calculation of the Bank's returns on average common stockholders' equity and average tangible common stockholders' equity and the reconciliations to GAAP are included in the schedules accompanying this release.

George Gleason, Chairman and Chief Executive Officer, stated, "We are very pleased with our results for the quarter just ended giving us our eighth consecutive quarter of record net income and earnings per share and ninth consecutive quarter of record net interest income. This consistent achievement of record results has allowed us to consistently increase dividends, significantly grow capital and opportunistically repurchase shares, all while significantly increasing our allowance for credit losses."

#### **NON-GAAP FINANCIAL MEASURES**

This release contains certain non-GAAP financial measures. The Bank uses these non-GAAP financial measures, specifically return on average common stockholders' equity, return on average tangible common stockholders' equity, tangible book value per common share, total common stockholders' equity, total tangible common stockholders' equity, the ratio of total tangible common stockholders' equity to total tangible assets, and PPNR, to assess the strength of its capital, its ability to generate earnings on tangible capital invested by its shareholders and trends in its net revenue. These measures typically adjust GAAP financial measures to exclude intangible assets or provision for credit losses. Management believes presentation of these non-GAAP financial measures provides useful supplemental information which contributes to a proper understanding of the financial results and capital levels of the Bank. These non-GAAP disclosures should not be viewed as a substitute for financial results determined in accordance with GAAP, and they are not necessarily comparable to non-GAAP performance measures that may be presented by other banks.

Reconciliations of these non-GAAP financial measures to the most directly comparable GAAP financial measures are included in the tables at the end of this release under the caption "Reconciliation of Non-GAAP Financial Measures."

This press release and other communications by the Bank include certain "forward-looking statements" regarding the Bank's plans, expectations, thoughts, beliefs, estimates, goals and outlook for the future that are intended to be covered by the Private Securities Litigation Reform Act of 1995. Forward-looking statements are based on management's expectations as well as certain assumptions and estimates made by, and information available to, management at the time. Those statements are not guarantees of future results or performance and are subject to certain known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those expressed in, or implied by, such forward-looking statements. These risks, uncertainties and other factors include, but are not limited to: potential delays or other problems in implementing the Bank's growth, expansion and acquisition strategies, including obtaining regulatory or other approvals, delays in acquiring satisfactory sites, obtaining permits and designing, constructing and opening new offices, relocating, selling or closing existing offices, or integrating any acquisitions; the availability of and access to capital; possible downgrades in the Bank's credit ratings or outlook which could increase the costs of or decrease the availability of funding from capital markets; the ability to attract new or retain existing deposits or to retain or grow loans, including growth from unfunded closed loans; the ability to generate future revenue growth or to control future growth in non-interest expense; interest rate fluctuations, including changes in the yield curve between short-term and long-term interest rates or changes in the relative relationships of various interest rate indices; competitive factors and pricing pressures, including their effect on the Bank's net interest margin or core spread; general economic, unemployment, credit market and real estate market conditions, and the effect of such conditions on the creditworthiness of borrowers, collateral values, the value of investment securities and asset recovery values; conditions within the banking industry; recently enacted and potential new laws and regulatory requirements or changes to existing laws and regulatory requirements, including changes affecting oversight of the financial services industry, changes intended to manage or mitigate climate and related environmental risks or changes in the interpretation and enforcement of such laws and requirements, changes as a result of the U.S. presidential and congressional elections, and the costs and expenses to comply with new and/or existing legislation and regulatory requirements; uncertainty regarding changes in U.S. government monetary and fiscal policy; the impact of any U.S. federal government shutdown or budgetary crisis; FDIC special assessments or changes to regular assessments; the ability to keep pace with technological changes, including changes regarding artificial intelligence and maintaining cybersecurity; the impact of any failure in, or breach of, our operational or security systems or infrastructure, or those of third parties with whom we do business or others, including as a result of cyberattacks or an increase in the incidence or severity of fraud, illegal payments, security breaches or other illegal acts impacting the Bank, its customers or others; natural disasters; acts of war or terrorism; the potential impact of continuing inflationary pressures; the potential impact of supply chain disruptions; national or international political instability or military conflict, including the conflict in the Middle East and the ongoing war in Ukraine; competition for and costs of recruiting and retaining qualified personnel; impairment of our goodwill; adoption of new accounting standards, or changes in existing standards; and adverse results (including costs, fines, reputational harm and/or other negative effects) from current or future litigation, regulatory examinations or other legal and/or regulatory actions or rulings as well as other factors identified in this communication or as detailed from time to time in our public fillings, including those factors described in the disclosures under the headings "Forward-Looking Information" and "Item 1A. Risk Factors" in our most recent Annual Report on Form 10-K for the year ended December 31, 2023 and our quarterly reports on Form 10-Q. Should one or more of the foregoing risks materialize, or should underlying assumptions prove incorrect, actual results or outcomes may vary materially from those described in, or implied by, such forward-looking statements. The Bank disclaims any obligation to update or revise any forward-looking statements based on the occurrence of future events, the receipt of new information or otherwise.
