

## OZK Labs Named Best Places to Work in Financial Technology 2019

March 5, 2019

LITTLE ROCK, Ark., March 05, 2019 (GLOBE NEWSWIRE) -- OZK Labs, a division of Bank OZK was recently named as one of the **2019 Best Places to Work in Financial Technology**, according to the [American Banker](#). This marks the second consecutive year OZK Labs has received the prestigious award.

"The highly skilled team at OZK Labs is creating better experiences for our customers and our bankers. Marcio deOliveira leads OZK Labs which functions much like a fintech, focused on developing next generation tools to make banking convenient, fun and secure," stated Tyler Vance, Bank OZK Chief Operating Officer. "This recognition for the second consecutive year as one of the best places to work in financial technology reflects the strong culture that Marcio and the team have built," Vance added.

This annual survey and awards program is designed to identify, recognize and honor the best employers in the financial technology industry. Companies recognized on this year's list operate in and serve companies and consumers in a wide range of financial services including banking and mortgages, insurance, payments and financial advisory.

[OZK Labs](#) was established in 2012 with a commitment to be a leader in technology and innovation. OZK Labs, headquartered in St. Petersburg, Florida, currently employs a team of 31 developers, engineers and technology professionals.
